## BUSINESS RIGENERATIVO

È in corso un **cambiamento culturale** epocale di cui siamo orgogliosi di essere parte. Uno dei principi fondamentali di tutte le B Corp è quello di adottare un business rigenerativo che si contrappone a quello estrattivo.

Rigenerare significa non solo diminuire l'impatto sulla natura e sull'ambiente che ci circonda, ma addirittura produrre effetti positivi, creando valore condiviso nella società e rigenerando la biosfera.

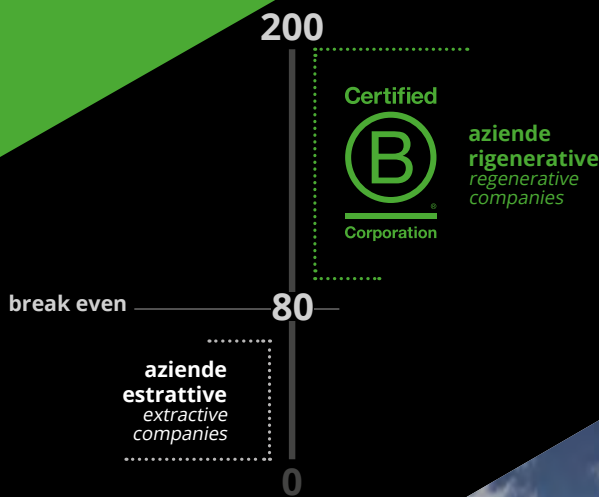

Diventano B Corp solo quelle aziende che misurano il loro impatto complessivo attraverso il Benefit Impact Assessment (BIA) superando il punteggio di 80 (in una scala da 0 a 200) ed entrando così in una élite di imprese **rigenerative**. Chi non supera questa soglia viene considerata **azienda estrattiva** ovvero per funzionare consuma risorse economiche, sociali e ambientali superiori di quanto sia in grado di generare come output.

## REGENERATIVE BUSINESS

An historical **cultural shift** is under way, of which we are proud to be a part. One of the underlying principles of all B Corps is the adoption of a regenerative business model as opposed to an extractive one.

Regenerating means not only reducing the impact of business on our surrounding nature and environment, but also producing **positive effects, creating shared value in society and regenerating the biosphere**.

Only those companies that measure their overall impact through the Benefit Impact Assessment (BIA) exceeding the score of 80 points can be certified as B Corp, joining an elite of **regenerative** companies. Anyone who does not exceed this threshold is considered an **extractive company** or, in order to function, they consume higher economic, social and environmental resources than they are able to generate as output.

## IL PUNTEGGIO DI FLORIM

Il punteggio conseguito da Florim Italia è di 98,1 punti e il consolidato, che comprende la consociata americana, è di 90,9 punti. Così Florim rientra tra le migliori B Corp al mondo.

Solo il 3% delle aziende riesce a superare l'iter di verifica imposto da **B Lab**, ente certificatore di origine americana che oggi opera a livello globale.

## FLORIM'S SCORE

Florim Italia score is 98.1 points and the consolidated, which includes the American subsidiary, is 90.9 points. Florim is now one of the best B Corps throughout the world.

Only 3% of companies manage to pass the verification process implemented by **B Lab**, the US certifying body that currently operates on a global scale.

# PREXIOUS

Simbolo di bellezza e indiscussa regina delle superfici, l'estetica del marmo trova inedite interpretazioni nella nuova collezione **Prexious**. Partendo dalla ricerca di esemplari lapidei rari e preziosi, i cromatismi e le venature sono stati rielaborati e reinterpretati con perizia tecnica e creatività, trasformandoli in creazioni originali di grande suggestione, che esprimono appieno il gusto inimitabile di Luxury design. Lo sviluppo armonioso del disegno che si rivela accostando le lastre in ampie superfici è un fattore di distinzione, così come le pregiate finiture di superficie, lucida e brillante o delicatamente satinata.

# PREXIOUS

The pinnacle of elegance and undisputed queen of covering materials, marble is given new life in the **Prexious** collection. Starting from carefully selected, rare examples of marble, the colours and veining have been re-interpreted with all of Luxury design technical skill and creativity, and transformed into highly evocative panels of inimitable elegance. The design was conceived to reveal harmonious patterns when the panels are placed next to each other over large surfaces, as do the textures, whether brilliant gloss or delicately satin-finished.

Incarnation de la beauté et reine incontestable des surfaces, l'esthétique du marbre est interprétée de manière inédite dans la nouvelle collection **Prexious**. À partir de la recherche de pierres rares et précieuses, les effets chromatiques et les marbrures, réélaborés et réinterprétés de manière créative avec un grand savoir-faire technique, ont été transformés en créations originales d'une grande beauté, qui expriment pleinement le style inimitable de Luxury design. Le développement harmonieux des motifs, qui se révèle en disposant les dalles côte à côte sur de grandes surfaces, est un facteur de distinction, à l'instar des belles finitions de surface, brillante ou délicatement satinée.

The background of the entire page is a detailed, high-resolution image of a brown marble surface with intricate, swirling patterns and veins. The lighting is soft, highlighting the natural texture and color variations of the stone.

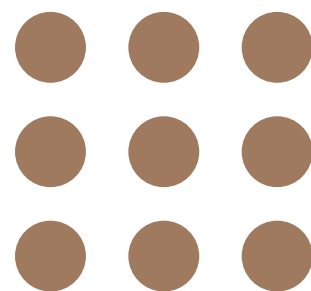

Symbol für Schönheit und unbestrittene Königin der Oberflächen findet die Ästhetik des Marmors ungewöhnliche Interpretationen in der neuen Kollektion **Prexious**. Ausgehend von der Suche nach seltenen und wertvollen Steinexemplaren, wurden die Chromatik und die Äderungen mit technischer Fachkenntnis und Kreativität neu verarbeitet und neu interpretiert und so in originelle Realisierungen von großem Charme verwandelt, die voll den unnachahmlichen Geschmack von Luxury design ausdrücken. Der harmonische Verlauf des Musters, der sich beim Zusammenfügen der Platten auf großen Flächen zeigt, stellt ein Unterscheidungsmerkmal dar, wie auch die wertvollen Oberflächenbearbeitungen: glänzend und brillant oder fein satiniert.

La estética del mármol, símbolo de belleza y reina indiscutible de las superficies, encuentra interpretaciones inéditas en la nueva colección **Prexious**. Partiendo de la búsqueda de ejemplares lapídeos raros y preciados, los cromatismos y las vetas han sido reelaborados y reinterpretados con habilidad técnica y creatividad, transformándolos en creaciones originales de gran sugestión que expresan por completo el gusto inimitable de Luxury design. El desarrollo armonioso del diseño que se revela combinando las losas en amplias superficies es un factor de distinción, así como los preciados acabados de la superficie, reluciente y brillante o delicadamente satinada.
